Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

When I discovered Cambridge Community Television in 2009 I had never even been in a community cable access tv station . I have been a member ever since and have taken hundreds of hours of classes in media production, worked in the station as an intern, and assist seniors in the computer lab. Eventually I started producing a show for the station featuring wonderfully talented local musicians and sharing their gifts with the world.

Very Sincerely,

Beth Redmond Walsh
